Collector of South Kanara.

To

The Secretary to the Board,

Revenue Settlement, Madras.

Petition of Stamping Clerk - Local allowance for high prices - Sanction for payment solicited.

(W) The Stamping Clerk of this district is being paid at -- the rate of Rs.10/- per mensem with a local allowance for high prices at 50 per cent. sanctioned in G.O. No.499, Financial, - dated 1st June 1920. During the official year 1919-20, payment of local allowance was not made to him for the months of April 1919 and August to October 1919 owing to the insufficient receipts in those months to cover the allowance. But in the instructions issued by the Accountant-General in his letter -- No. T.M.24-14/179, dated the 29th July 1920, it is laid down - that the Stamping Establishment may be paid the local allowance at the rate of 50 % of the pay provided that the total receipts of the year are sufficient to cover the charges. There were savings of Rs.28/- on account of the Establishment for stamping weights and measures during the last official year in this district as would appear from the Board's Proceedings No.123 R.S., dated 18th August 1920. The Stamping Clerk now claims the -- allowance for the above four months which amounts to Rs.20/-. It is, therefore, requested that sanction may be accorded for its payment.

The Collector of South Kanara is informed that stamping establishments are not eligible for the allowances sanctioned in G. O. 499, Finl, dated 1-6-21 as the members of those establishments do not come under the category of "full-time government servants whose pay is debited against the general revenues" referred to in paragraph 8 of that order. There is however no objection to the pay of the stamping establishments being increased.
